In accordance with the **EU Data Act (Regulation (EU) 2023/2854)**, this declaration outlines the data handling and transparency practices for the **HUAWEI WATCH FIT Special Edition (Rosa/Pink)**.

EU Data Act Transparency Declaration

Product: HUAWEI WATCH FIT Special Edition

Model: Starry Black, Nebula Pink (Rosa), Forest Green

Connected App: HUAWEI Health (EU/EEA Version)

1. Data Generation and Categories

This smartwatch generates data through integrated high-precision sensors to provide health and fitness insights:

- **Health & Wellness Data:** Continuous heart rate (TruSeen™ 5.0), blood oxygen levels (SpO2), stress monitoring, and scientific sleep tracking (TruSleep™ 3.0).
- **Activity & Fitness Data:** Precise outdoor route mapping via built-in **GPS**, step counts, calories burned, and professional running metrics (Running Ability Index, VO2Max).
- **Device & System Data:** Battery health logs, firmware version, Bluetooth connection strength, and hardware identifiers.
- **Smart Assistant Data:** Notification logs (incoming calls/messages), weather location data, and remote camera shutter triggers.

2. Data Storage and Location

- **On-Device Storage:** Raw sensor data and recent activity records are stored locally on the watch.
- **Cloud Storage (EEA Users):** For users in the European Union, all personal and health data synced via the HUAWEI Health app is stored on secure servers located within the **European Economic Area (EEA)**, primarily in Germany or Ireland, ensuring strict compliance with GDPR.
- **Encryption:** Data is protected using end-to-end encryption during transmission and AES-256 encryption at rest.

3. Data Access and Portability

Under the **EU Data Act**, you have the following rights regarding the data generated by your device:

- **Direct Access:** You can view, manage, and edit your data directly within the **HUAWEI Health** app under the "Me" and "Privacy management" sections.

- **Data Portability:** You have the right to request a copy of your personal data in a structured, commonly used, and machine-readable format. This can be initiated through your **HUAWEI ID Privacy Centre** online.
- **Third-Party Sharing:** You control if and how your data is shared with third-party fitness apps (e.g., Strava, Komoot, or Google Fit) via the "Data Sharing" settings in the app.

4. Security and Privacy by Design

- **Minimal Collection:** Huawei follows the principle of data minimisation, collecting only what is necessary for the device's functions.
- **User Consent:** Continuous monitoring features (like SpO2 or Heart Rate alerts) can be toggled on or off at any time.
- **Software Updates:** The watch supports Over-The-Air (OTA) updates to maintain the highest levels of cybersecurity and data integrity.

5. Contact for Data Rights

To exercise your rights (access, deletion, or portability) or for technical documentation, please contact:

- **Manufacturer:** Huawei Device Co., Ltd.
- **EU Representative:** Huawei Technologies Duesseldorf GmbH, Hansaallee 205, 40549 Düsseldorf, Germany.
- **Data Protection Officer:** dpo@huawei.com

Note: This product is not a medical device. All health data is for reference only. The **+6 months extended warranty** applies to the hardware according to the promotional terms provided at the time of purchase in the German/EU market.
